3	2	150m²	N/A	N/A

A fully renovated townhouse with an area of 105 m² is offered, located just 150 meters from the sea. The property is after renovation, with a modern interior and ready for living without additional investments. The house includes 3 bedrooms and 2 bathrooms. The space is designed in a modern style: a bright living room combined with a functional kitchen area, modern plumbing installed, and thoughtful lighting. An additional advantage is a private courtyard where you can organize a comfortable outdoor relaxation area. The house also has a solarium with a sea view. Solar panels are installed on the roof, allowing the use of your own solar energy and reducing...(Ask for More Details!)
