Located within the well-regarded Golden Park development in J avea, this property sits in one of the most practical positions in the Arenal area. From here, you can walk to the sandy beach, supermarkets, restaurants, and essential services within minutes, making it suitable for both permanent living and holiday use. The area also offers easy access to sports facilities, schools, and transport links connecting the port and old town. This spacious property offers approximately 177 m<sup>2</sup> of internal living space arranged across three levels, providing a layout that balances internal volume with usable outdoor areas. The ground floor is designed for day-to-day living, with an open-plan kitchen and dining...(Ask for More Details!)
