Located less than 4 kilometers from the Mediterranean Sea, we find this beautiful apartment. Built in 2023, it features 2 bedrooms, 2 bathrooms, a spacious roof terrace, a parking space, and a storage unit. The front balcony faces northeast, overlooking the communal garden, swimming pool, and the salt lake of Torrevieja beyond. Additionally, there is a spacious roof terrace perfect for soaking up the Spanish sun. A unique feature of this property is that it is the last home in the row, meaning you have neighbors on one side rather than both. The home has been used very little and is in virtually new condition. The property is being sold...(Ask for More Details!)
