Luxury villa with energy certification A++, a unique property that combines contemporary design, innovation, and sustainability. Built on a plot of over 1,000 m² in an exclusive urbanization, this home has been designed to offer maximum comfort, privacy, and efficiency. With a built area of 476 m², distributed over three bedrooms, four bathrooms, and open spaces that integrate interior and exterior, it features a spacious 212 m² terrace and a south-facing private pool measuring 13x5 m. The villa also includes a 180 m² basement with multiple possibilities: gym, home theater, game area, or workspace. Modern architecture is combined with the most advanced materials in the industry, ensuring thermal insulation, airtightness,...(Ask for More Details!)
