This spacious townhouse has plenty of living space, it is set on a quiet residential street of a typical Spanish village of Sucina where all amenities are within a short walk. This house has a spacious garage area (currently being used as living space) with a kitchen included, it is an ideal multi function space. The stairwell leads to the first floor where there is a living room with plenty of natural light and nice views to enjoy the evening sun. There is an open plan fitted kitch...(Ask for More Details!)
