Tiny House near Alicante on a huge plot This tiny house is located in a particularly quiet location, in the middle of a nature reserve. It is no less than 16000m² in size and is spread over several terraces. From the entire plot there are beautiful views of the surrounding mountains. A small house has been built on the plot, which needs thorough renovation. There is also a small outdoor kitchen. The house measures approximately 30m². Electricity is installed in the immediate vicinity, water ... (Ask for More Details!)
