N/A

We bring you this traditional style property all in one level in the center of Torremendo village in need of renovation within a short walk to the lake. At the front you have 2 bedrooms (one en suite) followed by a large living room and another bedroom beside it ; right at the back there is a kitchen with utility room and a separate bathroom. The garden is a good size and sunny and has a couple of outbuildings which can be taken down to make it bigger or renovate them to have...(Ask for More Details!)
