Last remaining plot available at The Village Urbanisation in the popular small town of Alcalali in the stunning Jalon Valley. This plot of c.1062sqm is the last one available in this popular location. The plot is classed as urbano and lends itself to the construction of either one large family home of up to 340sqm or two smaller villas either for development as an investment or for a self-build with one property to keep as a home and one to sell on. The plot is south facing with open vi...(Ask for More Details!)
