Beautifully renovated house in the old town of Estepona over 2 floors with the option to add another floor and roof terrace if required. You enter onto a hallway where you have a 1 bedroom self contained apartment, with living area, double bedroom, kitchen and bathroom. Also on this level you have a huge garage for at least 2 cars with double height ceilings. Moving up to the first floor you have a huge living room, open plan kitchen and an open courtyard which floods the apartment wi...(Ask for More Details!)
